*Having a great time working at the Greater Pittsburgh Food Bank- Spring Break 2009.*

We invite you to be a part of the United Campus Ministry Student Organization at the Pennsylvania College of Technology. We are made up of Christians of various traditions who want to encourage and enable students to fulfill their faith needs while they are away from home. To this end, we will provide opportunities to fulfill their faith needs while they are away from home. We strive to provide opportunities for Penn College students to connect with other students and with local churches in Christian fun, fellowship and service. Local denominations currently involved include: Baptists, Episcopalians, Lutherans, Presbyterians, Roman Catholics and United Methodists.

# UNITED CAMPUS MINISTRY

The United Campus Ministry Student Organization at the Pennsylvania College of Technology is a student led group that seeks to provide opportunities to the members of the college community for: Worship, Christian Fellowship, pastoral care, spiritual growth, faith discussion and volunteer service. We continue to form ecumenical partnerships with local congregations in the Williamsport area to strengthen the faith bridge between the Penn College campus and local churches.

**MONDAY NIGHTS: 8 P.M.**

## *Faith Talks*

Monday nights we meet in the Old Coffee House in the CC Commons for a weekly group discussion led by an area pastors. Come join us for a time to focus on faith, bible study and fellowship. There's always some great discussion and plenty of snacks.
