

Guidelines for YSF Progress Report

Overall Project Summary

- 4-6 sentences summarizing the progress made in planning for or executing the ministry/project
- 4-6 sentences explaining any challenges that have been met and how they were overcome
- Details on any changes to the initial project plans
 - Include specific reasons for changes

Project Numbers

- additional amounts of funds raised
- updated cost of the ministry/project
- total number of participants committed to the ministry/project

Leadership & Discipleship

- How has receiving a YSF grant helped to advance the ministry/project planning or execution?
- How have students in your ministry/project taken on leadership responsibilities? How are they expected to do so before the completion of the ministry/project?
- A 'God-moment' experienced by students in planning the ministry/event.
- How are participants growing their faith through this ministry/project?

Please submit a full written progress report on the project by April 1, 2018. Report may be emailed along with any photographs to the Director of Young People's Ministry at awilder@susumc.org. By providing photographs you are giving permission to the Young People's Ministry of the Susquehanna Conference of the United Methodist Church to use them for promotional purposes, no names or locations will be noted with the pictures.
